

Concession Use Request Form

Please contact the Philomath Booster Club if you are interested in using the High School concession stand (inside or outside). **A Booster Club Board member must be present in order for the concession stand to be used.**

Since concessions are a fundraiser for the Philomath Booster Club which supports athletic/activities programs at the high school and middle school, the agreement with any group or organization is a 70-30 split with Philomath Booster Club (PBC) securing 70% of the proceeds. The requesting group will get 30% of the profit if volunteers from that group work in concessions for the event.

PBC will provide all of the food and supplies for concessions. We will operate under the conditions of our usage permit with the Health Department.

You can reach the Booster Club one of the following ways:

- 1) Contact one of the following PBC Board Members by phone or text:

Jill Chambers, Concessions 541-740-2904

Kevin Berklund, President 541-231-4582

- 2) Email the Philomath Booster Club at Philomathboosters@hotmail.com or message us on Facebook at Philomath Booster Club
